Our Products

FordProductions

Here are our basic products. We also offer discounted prices when you package more than one product together. Speak to us about combined or tailored packages.

Wedding Highlights

A commemorative 3-5 minute video, perfect for sharing online. A videographer will film moments from the whole day including a special pre-ceremony message from both groom and bride. Great for weddings on a budget or to give copies to family and friends.

Starting from $2,750

The Ceremony

A full-length, multi angle film of the moment you become married, the Ceremony package allows you to re-live your wedding vows for years to come.

Starting from $3,000

The Reception

A combined film of speeches and all the fun a reception brings, the Reception package lets you remember all the laughing, dancing and joy of your reception. Two videographers will immerse themselves in your celebrations, capturing intimate and entertaining moments to treasure.

Starting from $3,000

Wedding Moments

Longer than our Highlights package, the Wedding Moments package is a 4-6 minute film of the key parts of your wedding edited into a tidy film great for sharing with friends and family. Two videographers will capture moments from your preparation, ceremony, photography and reception and bring them to you in a beautiful keepsake of your day.

Starting from $3,750

FordProductions strives to do their best to give you the best value wanted in your wedding film. If you have any other questions or enquiries, please don't hesitate to ask.
